**Disclaimer: all sporting and leisure activities have inherent hazards associated with them, and hillwalking is no exception. In spite of members' safety being of paramount concern, accidents will occasionally happen. It is important therefore, when on a Club walk, each member appreciates that they have a responsibility to identify any hazards, and to take reasonable steps to eliminate or minimise the potential for an accident to arise. Individuals participate in any walk/activity entirely at their own risk and agree to hold the organisers and/or all other persons assisting in leading walks etc. entirely harmless, blameless, and free from liability in relation to any damage, loss of property, personal injury, etc., arising directly or indirectly, howsoever caused. Club membership has the advantage of civil liability insurance, but this does not extend to personal loss or injury.**

I also agree to abide by the rules of Shrewsbury Hillwalking Club (SHC).
