Please inform the walk coordinator of any relevant medical condition or information that may be relevant to your ability to participate in the walk.	
Disclaimer : all sporting and leisure activities have inherent hazards associated with them, and hill walking is no exception. In spite of walkers' safety being of paramount concern, accidents will occasionally happen. It is important, therefore, that when rambling or hill walking, each walker appreciates that they have a responsibility to identify any hazards, and to take reasonable steps to eliminate or minimise the potential for an accident to arise.	
Agreement : I understand and agree that I participate in this walk/activity entirely at my own risk and agree to hold the organisers and/or all other persons assisting in leading walks etc. entirely harmless, blameless and free from liability in relation to any damage, loss of property, personal injury etc., arising directly or indirectly, however caused.	
I have been informed that the Club has the advantage of public liability insurance, but I have been advised, and understand, that this does not extend to personal loss or injury.	
I agree to this form being retained by the Walk Coordinator for the duration of the walk but thereafter it will be destroyed promptly unless there is any reason pertaining to this agreement for it to be retained by the Walk Coordinator or an Officer of the Club.
